Programs of Study Technical Studies TS23	10/20/14	Correction Program description	The Technical Studies Associate Degree program is designed to prepare students for employment in a variety of positions in today's technical industry fields. This program offers students learning opportunities that develop higher level academic skills required for job acquisition, retention, and advancement. It is specifically open to students who have already completed another approved technical or industrial program of study. The program emphasizes a continuation of technical studies theory and practical applications necessary for successful employment. Program graduates receive an Associate of Applied Science degree in Technical Studies and will be qualified for employment as technicians.
Programs of Study Paramedic Technology Paramedicine	10/30/14	Correction	DELETE – COMP 1000 Introduction to Computers (3) DELETE – ALHS 1090 Medical Terminology for Health Care Sciences (2) Minimum credit hours for Graduation – 55 hrs
