There is more treasure in books than in all the pirate's loot on Treasure Island.

Welcome Students to Summer Semester 2013

Summer Reading at the OTC Library

The leisure reading section is now populated with many new titles and recognizable authors. Titles include The Color Purple, A Game of Thrones, the Harry Potter series and the Twilight series. Authors such as *Danielle Steel*, *James Patterson*, *Patricia Cornwell* and others populate the shelves. The library has a display on a back table showcasing some titles, and many more can be found on the shelves by searching our Library Catalog. So take a break from school work and come visit our 'lounge' area in the back of the library.

Book Drop

Do you have overdue library items that you need to return? Return your items at one of our book drops! For your convenience, the library has two book drops on the Waycross campus: one located next to the main doors of the main lobby in the Allied Health Building, and another one next to the ATM in the student break area of the main building. Even if you checked the book out on the Alma Campus, you can drop it in the book drop here and we can process the material.

Writer's Reference Center

Writer's Reference Center provides users with a convenient one-stop location for all of the tools necessary to write and research effectively. From writing and grammar to style and research, this resource thoroughly covers the fundamentals of quality writing and provides a wealth of reference dictionaries. WRC walks you through the writing process from the introduction to the final revision. Users can easily find resources on specific grammar and style issues or can lead themselves through the guides to gain a better understanding of larger concepts. And if you've ever been muddled by the difference between affect/effect and lay/lie, they have a whole section called Words Often Confused! You can find Writer's Reference Center on GALILEO by searching Databases A-Z and clicking 'W'.
