Do you have questions about college, careers, or life after graduation?

A Transition Program Specialist (TPS) can help you complete your college application, apply for financial aid, and learn about the college environment. The TPS can assist you with your job search, applications, and resume. If you are unsure of your future career plans, there are many interests, strengths, and values inventories that will help you make an informed decision.

Contact your Transition Program Specialist, Linda Thrift, today to find out how you can work with her to achieve your educational and career goals.
