Questions?

What kinds of money might I receive?
The most common type of money BankMobile disburses to students are funds left over from financial aid awards, loans or grants after tuition has been paid. Students receiving these funds have usually requested this additional support to help with books and living expenses. Other types of money may include reimbursement for tuition overpayment or a dropped class. BankMobile uses the term “Refund” but CPTC may have another name for these funds, such as a disbursement, residual, or a stipend.

How will I get a Personal Code?
There are multiple ways you can get a code:

MAIL: Look out for the green envelope, your code will be sent to the address you have on file with CPTC.
EMAIL: BankMobile will send you an email with your code.
ON DEMAND: Visit refundselection.com and click on the Need a Code? link.

How is my money delivered?
Delivery of refund money is a multi-step process. First, CPTC draws funds from the respective loan and/or grant provider and applies it to your student account. Once this information is verified, it is sent to BankMobile. Once the specific refund information is received, it is processed and disbursed according to your selection.

Can I change my preference for receiving money?
Yes, just log in to RefundSelection.com and select Refund Preferences from the Refunds menu option. Once on the page, make your new selection and click the Update Preference button. Be aware that your new selection will only affect future money you receive from CPTC.

How will I know when my money has been sent?
BankMobile will send you an email or you can view the status of your refund online at RefundSelection.com. You can also sign up for mobile alerts. An alert will be sent each time the status of your refund changes. These alerts are real-time to provide you with the most up to the minute information. To sign up, select Mobile Alerts from the User Profile menu.

What is the BankMobile Vibe account?
Designed exclusively with students in mind, BankMobile Vibe is a checking account that offers the power to bank anywhere, anytime. Plus no monthly fee for students. If you select Vibe, you will receive a temporary virtual Debit Mastercard to use until your card arrives in the mail. Identity verification is required to open a BankMobile Vibe account online via BankMobile’s Customer Identification Program (CIP).

Active Shooter Process

EVACUATE – Run: If there is an accessible escape path, attempt to evacuate the premises. Be sure to:
Have an escape route and plan in mind. Evacuate regardless of whether others agree to follow. Leave your belongings behind. Help others evacuate, if possible. Call 911 when you are safe. Prevent individuals from entering an area where the active shooter may be. Do not attempt to move wounded people.

SHELTER-IN-PLACE – Hide: If evacuation is not possible, find a place to hide where the active shooter is less likely to find you. Your hiding place should:
Be out of the active shooter’s view. Provide protection if shots are fired in your direction (i.e. an office with a closed and locked door). Not trap you or restrict your options for movement. Lock and blockade the door.

PROTECT YOURSELF – Fight: As a last resort, and only when your life is in imminent danger, attempt to disrupt and/or incapacitate the active shooter by: Acting as aggressively as possible against him/her. Throwing items and improvising weapons. Yelling. Committing to your actions.

WHEN POLICE ARRIVE Put down any items in your hands. Keep hands visible. Follow all instructions. Avoid making quick movements towards officers. Do not stop to ask officers for help or direction when evacuating, just proceed in the direction from which officers are entering the premises.

Workplace Violence

• The Technical College System of Georgia and Coastal Pines Technical College are committed to providing all employees, students, volunteers, visitors, vendors, and contractors a safe and secure workplace and/or academic setting free of intimidating, threatening, or violent behavior.
• To this end, it is the policy of the TCSG that any violent act or threatening or disruptive behavior, language, or communication in any form (including telephone, facsimile, electronic mail or written communication) shall not be tolerated.

• It is the student’s responsibility to properly withdraw from a class if required attendance cannot be maintained.
• A student will be withdrawn from a course by the instructor after missing ten percent (10%) of the scheduled hours of the course.
• A student who does not attend their first scheduled class will be considered a “No-Show”.

• Students who leave the classroom or lab fifteen minutes (15 minutes) prior to the scheduled end of class or lab will be considered absent for that class or lab period.

• If a student fails to participate in the distance education course any seven (7) consecutive calendar days of the semester, he or she has violated the College’s attendance policy and will be withdrawn from the course.

• A student who fails to maintain a minimum 2.0 semester GPA, for all work attempted in the term, shall be placed on academic probation.
• A student placed on academic probation (or admitted on academic probation) must attain a minimum 2.0 semester GPA during the next term of attendance to remove himself/herself from academic probationary status.

• After a third and any subsequent academic suspension, the student will be eligible to reapply for admission after one calendar year.

Withdrawal from CPTC
