Active Shooter Process

**EVACUATE – Run:** If there is an accessible escape path, attempt to evacuate the premises. Be sure to:
Have an escape route and plan in mind. Evacuate regardless of whether others agree to follow. Leave your belongings behind. Help others evacuate, if possible. Call 911 when you are safe. Prevent individuals from entering an area where the active shooter may be. Do not attempt to move wounded people.

**SHELTER-IN-PLACE – Hide:** If evacuation is not possible, find a place to hide where the active shooter is less likely to find you. Your hiding place should:
Be out of the active shooter’s view. Provide protection if shots are fired in your direction (i.e. an office with a closed and locked door). Not trap you or restrict your options for movement. Lock and blockade the door.

**PROTECT YOURSELF – Fight:** As a last resort, and only when your life is in imminent danger, attempt to disrupt and/or incapacitate the active shooter by:
Acting as aggressively as possible against him/her. Throwing items and improvising weapons. Yelling. Committing to your actions.

**WHEN POLICE ARRIVE** Put down any items in your hands. Keep hands visible. Follow all instructions. Avoid making quick movements towards officers. Do not stop to ask officers for help or direction when evacuating, just proceed in the direction from which officers are entering the premises.
In an effort to provide a healthier and cleaner environment for students, employees and visitors, all Coastal Pines Technical College (CPTC) campuses are tobacco-free.

The use of tobacco products (including, but not limited to, cigarettes, cigars, pipes, electronic cigarettes, personal vaporizers, electronic nicotine delivery systems, and smokeless tobacco) is prohibited inside and outside all buildings, parking lots, commons areas, and within any college vehicle or any vehicle operated by the College. This policy applies to students, employees, and visitors.

The monitoring and enforcement of the tobacco-free campus policy is the responsibility of all CPTC faculty, staff, and students.

Students who violate this policy will be charged with violating the Student Code of Conduct. A fine of $15.00 will be assessed each time a student is witnessed violating the procedure. Failure to pay fine will result in a hold placed on student’s account. Habitual violators could face disciplinary sanctions issued by the college that could result in suspension or expulsion.
