

Welder Fabricator

Location: Jesup, GA

Company Overview:

Sierra International Machinery is a leading manufacturer of balers and shears for the recycled materials industry. With a strong commitment to innovation and quality, we design and produce cutting-edge machinery that helps our customers efficiently process and manage recyclable materials. As an industry leader, we are dedicated to delivering reliable and durable equipment that maximizes productivity while minimizing environmental impact.

Job Description:

Sierra International Machinery is looking to add dedicated welders that are willing to grow with the company. Welder/Fabricators play a crucial role in our manufacturing process, ensuring the production of high-quality balers and shears that meet our strict standards of durability and performance. Sierra will assist with Coastal pines in teaching students how to MIG weld. The hands-on training will teach you how to set up and use GMAW equipment and the accessories required to weld. You will learn how to use various instruments, tools, and other devices required to Fab parts.

Requirements:

- Attention to Detail: Meticulous attention to detail to ensure precise measurements, proper alignment, and high-quality welds. Ability to identify and correct welding defects.
- Safety Consciousness: Thorough knowledge of welding safety practices and procedures. Commitment to maintaining a safe working environment for oneself and colleagues.
- Team Player: Excellent communication and interpersonal skills. Ability to collaborate effectively with team members from various departments to achieve production goals.
- Adaptability: Willingness to learn new techniques and adapt to changing priorities in a fast-paced manufacturing environment.
- Certifications: Relevant welding certifications (e.g., AWS certification) and vocational training in welding or fabrication are highly desirable.
- Must be a student at coastal pines.

Sierra International Machinery offers:

- Health insurance
- Dental, Vision
- Retirement plans
- Opportunities for career development
- PTO

Starting Pay: \$15.50/hour
